Subject: Activities to be conducted in ITIs during India's G20 Presidency.

Sir/ Madam,

It is informed that India has officially assumed the G20 presidency on 01st December, 2022, for a period of one year. During the presidency year, India is expected to chair more than 200 meetings across various thematic areas. During this period, G20 delegates and guests will get a glimpse of India's rich cultural heritage and a year-long India experience. India will host the 18th G20 Summit on 9th-10th September 2023 in New Delhi and it would be one of the highest-profile international gatherings to be hosted by the country.

G20 Presidency would be a watershed moment in India's history as it seeks to play an important role by finding pragmatic global solutions for the wellbeing of all, and in doing so, manifest the true spirit of 'Vasudhaiva Kutumbakam' or the 'World is One Family'. It has been envisaged that the India's G20 Presidency should touch every student/trainee across the country, so that we may project our youth as Cultural Ambassadors who can build long lasting relationships with the G20 fraternity.

In this connection, it is requested that each organization under your jurisdiction shall organize an innovative outreach program, "Skill Connect" in which organizations can involve their stakeholders in a range of events on G 20 theme spread across the year till the Summit ends in September 2023. The following activities may be conducted on this occasion to educate and sensitise trainees about the G20 and its significance under India's presidency. This exercise will not only create awareness among trainees but will also contribute in branding of "Skill India" Mission .

- 1) G20 Branding activities:
 - a) Placement of G20 logo and theme (Vasudhaiva Kutumbakam) on the landing page of the organisation/institute/s websites.
 - b) Logos, posters standees of G20 should be displayed in the premises of the institutions.
 - c) Distribution of pamphlets/pocket calendars to trainees/employees.
 - d) Distribution of G20 T shirts, Caps, Wrist Bands, G20 Badges to trainees/ trainers.
 - e) Routine/pre-scheduled events of the institutions like convocation, annual days, sporting events, seminars etc should be branded as G20 events.
- 2) Webinars/Physical events:

- a) Institutes may organize webinars/physical events like guest lectures/industry speakers' sessions for trainees and trainers in collaboration with industry partners on topics like future skills, new technologies, Global skills, Entrepreneurship, G20 etc.
- b) Institute level competitions like Essay writing, Poster preparation, Painting and Quiz competitions and highlighting them on social media.
- c) State/Regional/District level skill competitions may be organized and winners may be awarded prizes.
- d) State/ District level Skill exhibitions may be conducted to display the indigenous skills.
- e) Road shows and plays, within the vicinity of ITI, by trainees for general public on topics befitting this occasion.
- f) Institutions may organize regular Swachhta campaign in and around their respective campuses as part of G20 events.
- g) Organize Kaushal Yuva Samvad/ Skill Dialogue with the trainees.

The videos and photographs of all the event organized on the occasion of G20 presidency may be uploaded on webform available on DGT website with name "G20 related activities".
